HSR Knowledge Wheel

Core attribute - this is central to who you are and how you conduct yourself.

NZISM

New Zealand Institute of Safety Management

Critical knowledge - the knowledge you need to have and be able to apply to routine, well-known situations.

Awareness - the content you need to understand the meaning of and how it might apply to your workplace. **Essential skills** - these are a range of skills that, once developed, enable you to be an effective HSR.
