An opportunity to showcase your products / services in front of an expected 200 health and safety professionals committed to growing their industry knowledge and keeping their workplaces safer, healthier and happier.

About the conference

Sharing Solutions for a Stronger Future is a joint event organised between:

- New Zealand Institute of Safety Management (NZISM) Canterbury branch, and
- New Zealand Occupational Health Nurses Association (NZOHNA)

This 2-day conference builds on the success of previous joint initiatives between these two respected professional member associations.

200 attendees are expected; they will enjoy a full programme of topical speakers, workshops and networking opportunities, including a Dinner & Dance on the Thursday evening.

Why have a stand at the event?

- Targeted health and safety audience intent on developing their knowledge.
- South Island's best 2022 opportunity to meet and talk with health and safety practitioners.
- On-stage speaking opportunities (Gold sponsors) to get your key message across.
- Relaxed networking at the Dinner & Dance.
- Your brand on pre-event promotion.
- Your brand on conference material during the day.
- Listen to our speakers and join us in the social atmosphere of our Dinner & Dance.
