

Bay of Plenty Branch Newsletter – September 2023

Message from your Branch Committee

Kia ora koutou,

The focus of this month’s newsletter is the Continuing Professional Development event. Entry for NZISM members is free and as an added bonus we’re inviting you to register one guest for free when you book.

We have events in the planning stages for October and November as well, keep an eye out on the NZISM website and our Facebook page so you don’t miss out.

NZISM BOP Committee

Continuing Professional Development Event

We invite you to an evening of networking and learning. The theme of the evening is ‘Leading Transition’ and with the help of our special guests, we will be exploring how we can help transition our organisations from their established ways of doing things, to new and innovative ways with better outcomes. Our particular focus will be challenging established norms and leading change from the top.

Greg Dearsly, First4Safety
 Charlene Donald, WorkSafe
 Anthony Mitchell, Fletcher Building

There’ll be spot prizes on the night from some great sponsors, so bring along your business card to go in the draw for over \$1000 worth of prizes!

We’re excited to be adding exhibitors to this years CPD event, so make sure you come along to talk to Vertical Horizonz, Comply Pro, Total Safety and Property Risk NZ at their trade stands.

If your business is interested in jumping on as an event sponsor we’ve still got time, please get in touch.

Mentoring

Have you ever considered the benefits of being a mentor? Mentoring is a learning partnership between an experienced professional person (mentor) and a member (mentee) for the purpose of sharing knowledge and information. Mentoring provides all persons with the opportunity for and access to professional growth and development.

NZISM currently has a waiting list for members looking to be matched with a mentor. The benefits to mentors are personal growth; broadened perspective; knowledge sharing; recognition for giving back to the industry; exposure to new ideas, technologies, perspectives; enhanced reputation; sense of accomplishment; increased knowledge and experience
