For those who are still to renew their membership you only have until the end of June to do so before you will lose access to your membership benefits. A payment plan (\$75 per quarter) is available for members or employers who may be struggling financially. Contact Mari at [admin@nzism.org](mailto:admin@nzism.org) to arrange.

### Peer Support Available

In this new climate we find ourselves in we are all wondering what the new normal will look like. Life and work foundations have been constantly shifting and evolving at such a pace it has been difficult to pop our heads up to see what is happening around us. While, for all of us, keeping everyone healthy and safe at work is our top priority. It is important to do the same for our own physical and mental health and wellbeing. NZISM has formed the Peer Support group, a non-clinical cohort of our own members who use their experience of going through tough times to help each other to improve emotional health and wellbeing. Access the Peer Support Network from your members home page on the website [www.nzism.org](http://www.nzism.org).
