This year's roadshow discusses CHASNZ initiatives Tōtika, BlackHat, Site Access Requirements followed by an interactive engagement session

About this Event

Chris Alderson (CEO) and Jon Harper-Stade (GM, Health & Safety Innovation) will discuss Tōtika, the BlackHat programme, Site Access Requirements and post COVID challenges, followed by an interactive engagement session aimed at finding out what focus areas are important to you.

This will run from 7:30am - 10:30am and will include a stand-up breakfast. Free onsite parking is available.

If you have any queries or dietary requirements, please email info@chasnz.org
