

**An exclusive opportunity for HASANZ members**

**Workshops with Safety II guru Dr John Green**

Director HSEQ, Laing O'Rourke European Hub

**Dr John Green is an internationally acclaimed expert in Safety II – an approach that changes safety management from “avoiding things going wrong” to “ensuring everything goes right”.**

HASANZ is excited to offer two afternoon workshops with Dr Green exclusively for our members:

**Wellington** Monday 16 October, 1pm to 4pm

Venue: PwC Tower, Level 16, 113-119 The Terrace, Wellington

[Register for this workshop](#)

**Auckland** Thursday 19 October, 1pm to 4pm

Venue: PwC Tower, Level 22, 188 Quay Street, Auckland

[Register for this workshop](#)

Cost \$195 plus GST and booking fee

The workshops will explore the key concepts and practise of Safety II, drawing on Dr Green's experience of successfully operationalising it for multi-national construction giant Laing O'Rourke. He was central to translating Safety II concepts into initiatives that significantly reduced injury rates at the firm's Australian business. Dr Green will share the lessons learned by Laing O'Rourke – what worked and what didn't, including the programmes and tools he used.

Numbers are limited to 45 per workshop.

*In association with the Business Leaders' Health & Safety Forum*
